Appropriate Clothing

With winter approaching, the weather is starting to get very cold. Children will need hats, gloves and scarves as we do go outside every day regardless of the weather condition.

On **Friday 13th November 2020** we would like to ask parents to send your child to pre-school in their pyjamas and we would be grateful if you could make a small donation of £1 to contribute towards the charity.

Remembrance Day!

As you know Remembrance Day is on Monday 11th November 2020, we will be paying tribute to the people who fought during the war by taking part in the 1-minute silence.

Flu Vaccination

Vaccination the most safe and effective way to protect children from illnesses such as flu and measles and with Covid-19 in circulation it is more important than ever to reduce the number of people becoming ill with flu this winter.

Book your child's free vaccination via the child's GP practice. If you need any more information speak to your GP or Health Visitor.
